ADVISORY COMMITTEES TO THE BOARD

The Board encourages the participation of citizens in three types of advisory committees. However, the legal responsibility for decision-making in all matters of policy and operation rests with the Board.

1. School- and District-level advisory committees [that are] including those required under federal and state programs will be formed, and will function, in accordance with the requirements pertaining to each specific program. The Board will grant to those bodies the advisory responsibilities relevant to the program or project.
2. School Improvement Teams will be formed at each school and for the Early Childhood program. School improvement teams at each school will consist of 50 percent participants who are not staff members.

Committees will conduct their business in compliance with the Missouri Sunshine Law.
