RECRUITMENT AND APPOINTMENT OF SUPERINTENDENT

The appointment of a superintendent is a function of the Board. The Board will conduct an active search to find the person it believes can most effectively translate into action the policies of the Board and the aspirations of the community and the staff.

The Board may seek the advice and counsel of interested individuals, an advisory committee, or it may employ a consultant to assist in the selection. However, final selection will rest with the Board after a thorough consideration of qualified applicants.

A vote of the majority of the whole Board, at a Board meeting for which due notice has been given of the intended action, will be required for the appointment of the superintendent.
