ADMINISTRATIVE ORGANIZATION PLAN

The legal authority of the Board is transmitted through the superintendent along specific paths from person to person, as shown in the Board-approved organizational chart of the District.

The lines of authority on the chart represent direction of authority and responsibility.

The superintendent may reorganize lines of authority and revise the organizational chart subject to Board approval of major changes and/or the elimination and creation of positions. The Board expects the superintendent to keep the administrative structure up to date with the needs for supervision and accountability throughout the school system.
