SUPPORT STAFF PRIORITY OBJECTIVES

In order to accomplish our District goals, the Board establishes the following priority objectives

1. To provide uniform and fair treatment for all support staff that will promote the welfare of the individual and that of the School District.
2. To recognize the importance of the contribution of the support staff to the educational program.
3. To establish support staff rules and regulations, qualifications and procedures that will staff the schools with the best support staff possible.
4. To provide salaries for support staff that will enable the District to attract and retain well-prepared and capable personnel.
5. To provide benefits that are needed to promote staff welfare.
