

**PATTONVILLE SCHOOL DISTRICT**

**EPS Code: EB**

**District Code: B913, B921**

### **SAFETY PROGRAM**

Accidents are undesirable, unplanned occurrences which can be prevented, and which often result in bodily harm, loss of school time, property damage, possible expensive legal action, and even death. Thus, it shall be the policy of the Pattonville School District to take every reasonable precaution for the safety of the students, employees, visitors, and all others having business with this School District.

The Board of Education believes that safety education and accident prevention are important to everyone concerned with our schools, not only as a protective measure during school hours, but also as an appropriate mode of behavior to minimize accidents at all times.

It shall be the responsibility of the Director of Facilities to execute this policy, and to develop a comprehensive program, which will meet the needs of the Pattonville School District.
