**District Code: B914, B920, B1012**

## **EMERGENCY PLANS**

The Director of Facilities has the responsibility for developing and maintaining the District's emergency plans. Emergency preparedness drills (fire, severe weather, tornado, bomb threat, civil emergency) will be developed by the Director of Facilities in cooperation with the building principals.

A sufficient number of drills will be conducted in each building to give instruction and practice in proper actions by staff and students.

The decision for calling and executing drills will be the responsibility of the Director of Facilities and/or the building principals.

Close cooperation with other community agencies (fire department, police department and civil defense personnel) is expected.
