BUILDINGS AND GROUNDS MANAGEMENT

The Board recognizes that the education of children is dependent upon many factors, including a proper physical environment which is safe, clean, attractive, pleasant and functions smoothly.

The superintendent will have the general responsibility for the care, custody, and safekeeping of all school property, establishing such procedures and employing such means as may be necessary to discharge responsibility.

At the building level, the principal will be responsible for overseeing the daily school operation, and for the proper care of school property by the staff and students.
