

**PATTONVILLE SCHOOL DISTRICT**

**EPS Code: GBEAB**

**District Code: B538**

### **STAFF PROTECTION**

The Board will protect employees against claims that may be entered against employees as a result of carrying out assigned responsibilities. This protection will be in the form of liability insurance and Workers' Compensation insurance.

Liability Insurance. Professional liability insurance will be provided for all certified professional staff members.

Workers' Compensation Insurance. Every employee of the District is entitled to receive compensation for accidental personal injury arising out of and in the course of employment. The District has insured liability with an insurance carrier duly authorized by the State of Missouri at no cost to the employees. All employees will be covered by Workers' Compensation insurance and are eligible for compensation for an injury incurred while on the job. Any accident resulting in injury, no matter how minor, must be reported to the immediate supervisor, who in turn, will notify the appropriate administrative office. Following treatment, proper forms must be completed and submitted to the appropriate administrative offices.

Unemployment Compensation Insurance. All employees are currently covered by unemployment compensation insurance, as required by law, and subject to the provisions thereof.
