EPS Code:

GCM-R-1

District Code:

**RELATIONSHIP BETWEEN PROFESSIONAL STUDIES
AND GRIEVANCES**

All grievances should be settled independently of any action taken by the Professional Studies teams or by any other individual or group not directly involved in the grievance process. After a grievance is settled, grievance-related implications for other employees may require policies/procedures which will be discussed in Professional Studies. It is understood that the settlement of any grievance should not be dependent upon modification, revocation, or passage of policies and/or procedures.

Adopted: May 24, 1994
Revised: February 25, 2003
