

EXTENDED INSTRUCTIONAL PROGRAM

The Board of Education may establish pre-school and post-school programs in accordance with law. The Pattonville R-III School District shall attempt to provide an organization for continuous progress in education to fit the needs of individuals of the community.

Adult Education

The Board may provide school facilities for the purpose of maintaining and expanding programs and services for persons interested in adult education. Such programs shall be commensurate with the needs of the community. The Board may provide administrative, ancillary and other supportive services needed to enhance the quality of the adult education program; however, the program shall be provided only out of revenue derived by the school district from sources other than described in the Missouri Constitution and state statutes.

Early Childhood

The critical importance of the early years in determining the educational development of children is recognized by the Board. Insofar as resources permit, programs designed to help meet the physical, emotional, social and intellectual needs of preschool age children are encouraged.

Reading Improvement Instruction Program

The district may provide a program of reading improvement instruction for students who do not meet the district's objectives for reading. In addition, the district will provide additional reading improvement instruction as required by law for grades 3-6.

Extended Learning Time

The district may provide tutorial programs to provide additional instruction for students.
