

**PATTONVILLE SCHOOL DISTRICT**

**EPS Code: IGCA**

**District Code: B715**

### **SUMMER SCHOOLS**

The Board may sponsor a summer school program providing opportunities for both remedial and enrichment instruction. All programs will operate in accordance with the law, state summer school guidelines, grant guidelines, and applicable district policies and procedures.

All services of the summer school program will be made available to residents of the district, whether enrolled in a private or public school during the school year. Students enrolled in remedial programs must meet the eligibility criteria.

The summer school curriculum will be established in line with the needs of students, and in accordance with regulations of the State Board of Education. Remedial courses at elementary levels and make-up review courses at secondary levels provide opportunities for students to qualify for promotion and/or credit in areas and subjects where previous work has not met promotional/credit standards.

All summer programs will be subject to annual approval by the Board.
