CAMPAIGNS OR ACTIVITIES FOR RAISING MONEY

Without the expressed permission of the Board of Education, public school pupils shall not be requested on, in, or about the premises of the Board of Education to participate in any organized campaign to raise funds for any purpose, nor may teachers permit such campaigns or drives within their classrooms.

In the conduct of campaigns for funds which are approved by the Board of Education, no quotas may be set for pupils, and donations must be entirely voluntary, without any pressure, which compares the giving of one pupil with the giving of another.
