### **STUDENT POLICIES GOALS**

Students and their education are the first concern of the District. The Board and the staff shall work together to establish an environment conducive to quality educational opportunities for all students. Through its policies that affect the lives of students, the Board of Education seeks to advance these goals:

1. To enhance equal educational opportunities to all students
2. To help all students feel that they are valued as individual persons in the school environment
3. To protect and observe the legal rights of students
4. To provide an environment of reality in which students can learn personal and civic responsibility for their actions through meaningful experiences as school citizens
5. To deal with students in matters of discipline in a just and constructive manner
6. To attend vigorously to matters of student safety, health, and welfare
7. To promote faithful attendance
