District Code: B208.1

SCHOOL CENSUS

Enumeration of Pupils

The Board of Education shall cause an enumeration to be taken of all persons who are between the ages of six (6) and twenty (20) who are residing in the School District. Enumeration information shall include name and age of each person, gender, conditions of blindness and deafness, and full name and post office address of parents/guardians. The information shall be forwarded to the county clerk, and shall be verified in the manner prescribed by regulations of the Department of Elementary and Secondary Education. All procedures, time lines and data collected shall be in accordance with departmental regulations and state law.

Census of Handicapped Students

The Board shall take, or cause to be taken annually, a special census of handicapped and severely-handicapped persons under the age of twenty-one (21) who either reside in the District, or whose parents/guardians reside in the District. The census shall include the name of each child, parents/guardians' name and address, birth date and age of the child, and the handicapping condition(s). The census report shall be on forms provided or approved by the Department of Elementary and Secondary Education, and shall be forwarded to the Special Services Division of that department on or before May 15 of each year. All procedures, timelines and data collected shall be in accordance with departmental regulations and state law.
