SECRET ORGANIZATIONS

The Board of Education prohibits the organization of school-sponsored fraternities, sororities, or secret organizations where membership is determined by members themselves, rather than on the basis of free choice. The Board considers such organizations, or membership in these organizations, as having a detrimental effect upon the conduct and discipline of the school. Interference with the instructional program of the District by such groups will not be condoned, and no organizational activities are permitted under the sponsorship of the School District or its personnel.
