

HAZING AND BULLYING

General

In order to promote a safe learning environment for all students, the Pattonville R-III School District prohibits all forms of hazing, bullying and student intimidation. Students participating in or encouraging inappropriate conduct will be disciplined in accordance with JG. Such discipline may include, but is not limited to, suspension or expulsion from school and removal from participation in activities. Students who have been subjected to hazing or bullying are instructed to promptly report such incidents to a school official. School officials will do their best to protect the safety of individuals that report incidents of bullying or hazing.

In addition, district staff, coaches, sponsors and volunteers shall not permit, condone or tolerate any form of hazing or bullying or plan, direct, encourage, assist, engage or participate in any activity that involves hazing or bullying. District staff will report incidents of hazing and bullying to the building principal. The principal shall promptly investigate all complaints of hazing and bullying and shall administer appropriate discipline to all individuals who violate this policy. District staff who violate this policy may be disciplined or terminated.

The superintendent will provide for appropriate training designed to assist staff, coaches, sponsors and volunteers in identifying, preventing and responding to incidents of hazing and bullying.

The district shall annually inform students, parents, district staff and volunteers that hazing and bullying is prohibited. This notification may occur through the distribution of the written policy, publication in handbooks, presentations at assemblies or verbal instructions by the coach or sponsor at the start of the season or program.

Hazing may occur even when all students involved are willing participants. Hazing does not occur when a student is required to audition or try out for an organization when the criteria are reasonable, approved by the district and legitimately related to the purpose of the organization.
