REFERRAL TO CORE TEAM

It is necessary for you to take a look at your students and be a relater of actual, OBSERVABLE BEHAVIOR to a Core Team member. If a student exhibits four or five of the following, it may indicate a problem and the need for a referral. If a troubled student is going to be helped, it is necessary for a faculty member to communicate any of the observable behavior listed below. Due process necessitates that this information, if requested, will be made available to the student or parent. Please place it in an envelope, marked confidential, and return to the Core Team mailbox in the main office.
