DETENTION AND/OR IN-SCHOOL SUSPENSION OF STUDENTS

The provisions of detention or an in-school suspension program for student violations of policies, rules and regulations shall provide principals with an additional alternative for dealing with disciplinary problems that occur in the schools. When this alternative is appropriate, students will be assigned to serve a specified time period in the in-school suspension program or in a detention program outside of regular school hours. These assignments, and the determination of the time period for them, shall be determined by the principal, or designee. Parents shall be notified.
