CONTESTS AND AWARDING OF PRIZES

Contests and activities which are sponsored by outside agencies and which involve participation by pupils, or granting of awards or prizes to pupils shall not be announced or permitted in the schools unless approved by the assistant superintendent for curriculum and instruction. Such activities must be judged to have educational value for the participants before permission may be granted. The giving of prizes and awards to individual pupils shall be discouraged.

Participation in athletic contests, all-star games, or games for commercial or charitable purposes is discouraged, since such activities are in violation of the spirit and letter of the rules of the Missouri State High School Activities Association (MSHSAA).
