**District Code:**

**RELATIONS WITH WELFARE AUTHORITIES**

When a Family Service Worker presents evidence to the principal of a building of a conclusive nature regarding a case of abuse or incest he does not need to contact the pupil's parent. In all other instances he must make an effort to contact the parent about the interview prior to the worker visiting with the pupil

Further, if the worker wishes to take the child they must be required to present a subpoena or other court document that gives them the authority to take the child.

Adopted: May 24, 1983
