

PATTONVILLE SCHOOL DISTRICT

EPS Code LH

District Code. New

FEDERAL EDUCATION AGENCY RELATIONS

In addition to its interest in being informed of the availability of federal funds for education, the Board is also desirous that the administrative and professional staffs be fully informed concerning any services and/or publications beneficial to the School District that may be available from federal education agencies, such as the National Institute for Education, the ERIC Clearinghouses, and the Department of Education. The superintendent will develop procedures to ensure this relationship.

Adopted: June 30, 1981
